

The Planning Board Agenda lists the continuation of the Public Informational Meeting for EPG Solar for the Planning Board meeting on February 13, 2012 at 6:30 P. M. at the Joseph F. Bilotta Conference Room, Town Hall, 17 Main Street, Lunenburg, MA.

As the Developer is not prepared to submit all necessary reports under Development Plan Review, Section 8.4 of the Zoning Bylaw due to Conservation issues, the Public Information Meeting will be opened and the only item to be noted will be to set a new date for continuation of the Public Informational Meeting. The new date will be March 26, 2012 at 6:30 P.M., Joseph F. Bilotta Conference Room, Town Hall, 17 Main Street, Lunenburg, MA. The Public Information Meeting on February 13, 2012 will be closed until the new date set above.

The new date allows for the Conservation Commission meeting of March 7, 2012 where the applicant will appear before the Commission. A further meeting date of March 21, 2012 has also been set with the Conservation Commission and the Applicant. Following Conservation Commission determinations, the Applicant should be in a position to address the items needed for the Planning Board to complete the Development Plan Review necessary to submit to the Building Official/Zoning Officer.
