Old Business ~

Beachview Road ~ John, Jan & Matt met with Eric, Stacy, Judith and Dan Wolfe. Surveyor shot site and the problem was solved. Judith will fill in the low area which should take care of the problem.

New Business ~

Massapoag ~ someone called and asked where the access is to Massapoag. There is no public access. All the land around the great pond is privately owned.

Eagle Nest @ Emerald Place ~ David Cioffi contacted PB about a nest in a tree that is destined to be removed. The nest is much too small for an Eagles Nest and the tree is not marked for removal. The other large tree will be coming down, but the "bird/eagle" only landed in that tree. If there are any further complaints tell them to send pictures.

Pleasant Street ~ pictures received from a neighbor that it looks like someone is living on the Conservation Land.
