ACTIVITY CENTER**

Located at the Historic Eagle House Building
25 Memorial Drive, Lunenburg, MA 01462

FY25 Budget Increase Request

- FY25 COA Budget Request
- Increase the Meal Site Manager hours from 19.5 per week to 24 per week.
- FY25 SAP as of July 1, 2024, Grade 6 – Step – 6 - \$20.72 ph.
- This would make the position a benefitted position.
Annual Salary - \$25,858.56
- FY25 Health Insurance - \$22,210.44

Why the increase in hours?

- It is not possible for the Meal Site Manager to run an efficient meal site, Monday through Thursday, at 19.5 hours per week.
- Not only do we deliver meals on wheels 4 days per week, we also have an active nutrition program 3 days per week that requires menu planning, shopping, cooking, and supervising 3 employees and 2 volunteers.
- 4.5 hours would be added to Fridays in order to shop for following weeks menu items, inventory control and assisting with monthly Veterans breakfast and Memory Café breakfast.
