## LUNENBURG SAND FOR SENIORS PROGRAM

The Sand for Seniors program was started by the Lunenburg Council on Aging Outreach department in conjunction with the Lunenburg Fire Department and the Lunenburg Department of Public Works in 2014.

Applicants will receive a 5-gallon bucket of sand delivered to their home by a member of the Lunenburg Fire Department. If the resident wishes, smoke/CO alarms will also be checked while fire department member is there.

The intent of this program is to help Lunenburg residents who are age 65+ who are unable to leave their homes or are physically unable to procure sand on their own.

### **CRITERIA:**

\_\_\_ Resident is 65+

\_\_\_ Unable to leave their homes or are physically unable to procure sand on their own.

\_\_\_ Lives in a single family home (no apartment/condominium complex or multifamily home deliveries)

### **Additional Questions:**

\_\_\_ Does resident have a 5-gallon Sand for Seniors bucket from previous years? If so, advise resident that a fire department member will pick up the previous bucket when delivering a new one.

\_\_\_ Would resident like their smoke/CO alarms inspected during delivery?

\_\_\_ If not, where would resident like the 5-gallon bucket placed when delivered?

### **Advise resident that...**

\*There will be no deliveries during inclement weather.

\*There is a limit of two 5-gallon bucket deliveries per delivery season per resident. (Delivery season being November to March)

\*\*Residents can begin to sign up on Monday September 1, 2025, and the **final deadline** for sign up will be **Saturday, November 15, 2025.**\*\*

**\*ALL contact or information about the Sand for Seniors program shall be made through the Lunenburg Council on Aging office at (978)-582-4166\***
