25 MAY STREET

The owner, Louis Herman, met with the board to discuss drilling a new well at the above property. This is a small, lake front lot. There is limited space for a new well.

After discussion and on motion by Emond and second by Jewell, variances were approved with the following conditions:

1. The new well be a drilled well'
2. The new well casing shall be advanced 50-70 feet into competent bedrock and be sealed with bentonite. All in favor.

64 FIRE ROAD 12

Steve Marsden met with the Board on behalf of the owner. This system is in failure. The is a small, lake front lot. The plan, as proposed, maximizes the offsets to wells and wetlands (lake). The existing well will be replaced as it is too close to the new system.

After discussion and on motion by Jewell and second by Rabbitt, the variance requests were approved. All in favor.

Meeting adjourned at 7:35 pm

Assistant Town Clerk Lynn Kluft send document to the Board members via Andrea Schnepf. Open Meeting Law Acknowledgements as well of Conflict of Interest Acknowledgments were signed and will be returned to Ms. Kluft.

Having no further business before the Board, the meeting was adjourned at 7:42 pm.
