FLOOR DRAINS

Fran McNamara, director of the Lunenburg Water District, met with the board to discuss floor drains. Mr. McNamara brought a map outlining the Water Supply Protection District. After reviewing the map, it was noted by George Emond that there is only one business in Lunenburg that could possibly be affected by a change in regulations. Mr. Emond stated that is would not be willing to proceed with a change in regulations.

After discussion and on motion by Sund and second by Emond, the board voted not to adopt new floor drain regulations. All in favor.

WOOD FIRED BURNERS

George Emond stated that DEP has the responsibility for regulating Wood Fired Burners. He further stated that this local board has neither the expertise nor the man power to enforce additional local regulations.

After discussion, Mr. Emond made a motion not to further entertain additional Wood Fired Burner Regulations. Emond and Sund in favor, Shea and Jewell opposed. Matter tabled until a future date.

Having no further business before the Board, the meeting was adjourned at 7:35 pm.
