Heather R. Lemieux
Town Manager

COVID-19 Update
March 16, 2020 10:30 a.m.

This post will be updated periodically with the most up to date information available to us. We ask for everyone's patience and understanding during this time, as new information and state issued orders are requiring us to change the way we do things in a short amount of time.

To follow the Governor's Order of no public gatherings of more than 25 people, we are extending the closure of town facilities to the public until April 7th.

Effective immediately, all public, including school, playgrounds in Lunenburg will be closed to public until April 7th. This includes Wallis Park, Kids Kingdom, Marshall Park and school playgrounds.

Trash and Recycling Pick-up from Casella is still on their normal schedule.

As of right now we are still operating as if the Annual Town Meeting and Annual Town Election will occur at their normal dates as we are awaiting special legislation from the State that will allow towns more flexibility. The exception to this is that per the Governor's Order on March 15th of no public gatherings more than 25 people, the Town Caucus is postponed until further notice. We will continue to operate under all other deadlines until the Governor issues new orders pertaining to town meetings and elections.

Town Caucus:

The Town Caucus is cancelled until further notice.
